

Ural Federal University

named after the first President
of Russia B.N.Yeltsin

WORLD-CLASS UNIVERSITY IN THE HEART OF RUSSIA!

У Rector Victor Koksharov

Ural Federal University plays an increasingly important role in the development of Ural region and Russia. The growth in world university rankings reflects our progress in the development of modern educational technologies, research achievements of our university community and the effectiveness of our international cooperation activities. Thanks to this, UrFU becomes more attractive and competitive on the global stage.

A handwritten signature in blue ink, which appears to be 'V. Koksharov'.
